

U.S. Catholic Catechism for Adults

Because so many people would like to take the course on the Catechism but are unable to do so, we will present a short article each week on the material we have covered in our classes during the previous week.

One's Capacity for God

Have you ever asked the questions:

- Who am I?
- What is the meaning of life?
- What is the meaning of suffering?
- Where am I going?

These are fundamental questions, and they reveal a universal desire for God. God has planted in every human heart a longing for the infinite. Even as we search for God, God searches for us. God has revealed Himself in these ways:

- Through the order, harmony, and beauty of creation
- Through the human person, who longs for absolute happiness
- Through Revelation, the Story contained in Sacred Scriptures

Reflection:

- As a Catholic, how are you searching for God at this time in your life?
- When was there a time in which you felt a strong sense of God's Presence and love?
